

## Debate conference The Mediterranean in 2030: Which propositions for better convergence?

Friday, 9 december 2011 – from 6:30 to 10:00 pm  
Caisse des Dépôts' headoffice - 15 quai Anatole France – 75 007 Paris

### PROGRAMME

In view of the work results from the consortium Mediterranean 2030 that rallied institutional and private-sector foresight bodies, what are the possible futures which could emerge in the Mediterranean by 2030? Which concrete measures can be taken in the long term to achieve the construction of a more integrated region, that would bring convergence and wellness for its inhabitants? What common issues are at stake? What are the political-economic perspectives on regional integration?

---
